Name of Project Manager
Project Manager Email
Name of Project

Dear Project Manager,

Congratulations! On behalf of the Mesa Pathways Committee, it is my pleasure to inform you that a Mesa Pathways Grant toward the **Name of Project** project in the amount of **$X,000.00** has been approved.

Through the award of this Grant, the Committee hopes to form a partnership wherein we provide support to your project and in turn we learn more about the needs of the campus and students. We share your goal to support students to persist and ultimately achieve their educational, personal, and career journeys. We welcome stories, feedback, and candid lessons learned at any time.

In order to ensure the smooth administration of the Mesa Pathways Grant, we will soon be providing you with the following:

1. A *Mesa Pathways Grant Agreement* outlining the general guidelines for the administration of the grant

2. A *Mesa Pathways Expense Payment Request - Grants* Form – used to request funds

3. A *Innovation Grant Final Report Form* to share your story with the Foundation upon finalization of the project

The Mesa Pathways Committee is grateful for all that you do to support student success and is proud to support your project.

Thank you for your great work!

Dr. Isabel O'Connor
Vice President Instruction
Chair, Mesa Pathways Committee

Mesa Pathways Innovation Grant Agreement

The Project Manager is **Name**. The project name is **Name of Project.** The total project grant award is **$X,000.00.** The Project Manager is responsible for ensuring funds are expended for stated purposes and activities are carried. The Project Manager is also responsible for submitting all requests for reimbursement in accordance with the process outlined below.

➢ **Purpose**

Mesa Pathway Innovation Grant monies awarded by the San Diego Mesa College via the Mesa Pathways Committee are to be used only for the purposes described in the Mesa Pathways Grant application. Written approval by the Foundation is required prior to any changes to the Innovation Grant scope or purpose. Failure to obtain prior authorization may result in suspension of the award.

➢ **Grant Term/Time Period**

The award is to be used within the 12 months of award date (the date on the award letter). A request for extension may be considered but will require prior approval by the Mesa Pathways Committee before the scheduled end date. All unexpended monies are subject to being withheld by the Mesa Pathways Committee.

➢ **Accessing Funds**

Mesa Pathways Grant funds are distributed based on the type of award granted. It is the responsibility of the Project Manager to request funds and provide necessary back-up documentation of expenses (employment forms, quotes, original receipts, award letter and / or any other required documentation) via the enclosed Mesa Pathways Committee Expenditure of Funds Request Form.

➢ **Tracking Funds**

The Project Manager (as indicated on the proposal submission) is responsible for tracking the expenditure of funds and ensuring that expenses do not exceed the grant award amount. Requests for funding that exceed the award amount will not be granted.

➢ **Final Report**

The Project Manager (as indicated on the proposal submission) is responsible for submitting a final report to the Mesa Pathways Committee reflecting on the impact of the project in the form of the *Mesa Pathways Grant Final Report Form*. This completed form must be submitted via email within 30 days after the end of the project. The submission of additional stories, photos, and student testimonials is encouraged.

Mesa Pathways Grant Final Report

Please submit all completed forms via email to mesapathways@sdccd.edu within 30 days of the completion of your Mesa Pathways Grant project with subject line: "Mesa Pathways Grant Final Report Submission"

Thank you so much for your willingness to share the story of your impact! This report will help us understand and advocate for your needs. Please answer succinctly but give enough detail for us to describe your work to a potential funder. (Roughly 150-250 words per question).

1. Students Served. Please describe how many students you served, as well as any information you have about the types of students. What were your outreach methods? What students responded?

2. Progress to Goals. Referencing the goals stated on the original application, please describe progress to stated goal. Where appropriate, indicate a quantifiable metric that articulates impact, and describe what leads to that result.

3. Challenges and Lessons Learned. What did not go as expected? What would you like to have done differently? Please be candid in this response – all facts are friendly facts!

4. Changes. If you were to do this project again, would you make any changes to the budget or scope? (This will help us accurately represent your project in the case that we have a funder who may be willing to support your work.)

5. **Quotes, Stories, and Testimonials.** Please help us share our students' stories by describing any quotes from students or stories that describe how this grant impacted a specific student or students. Tell us a little bit about what you know of the student(s), and how this project impacted them.

6. Closing remarks. What would you say to someone considering funding this initiative?
